New York, NY • hello@alexmercer.design • +1 (555) 234-8901 • alexmercer.design

EXECUTIVE PROFILE

Award-winning Creative Director & Multidisciplinary Designer with 10+ years of expertise shaping digital brand identities, interactive product experiences, and spatial motion narratives for global technology leaders and cultural institutions.

EXPERIENCE

Creative Director

2024 — Present

Studio Volta — New York, NY

- Lead design vision and creative strategy across luxury technology and spatial computing clients.
- Direct multidisciplinary teams spanning 3D interactive, generative art, and brand systems.
- Achieved 140% growth in design agency retainers and won D&AD Yellow Pencil 2026.

Senior Product Designer

2021 — 2024

Linear — Remote

- Orchestrated UI/UX systems and micro-interaction design for 250,000+ daily active engineering users.
- Pioneered dark-mode design ergonomics and key interaction primitives reducing task latency by 22%.

Lead UX Designer

2019 — 2021

Figma — San Francisco, CA

- Spearheaded canvas collaboration tools and spatial prototype workflows.
- Conducted multi-market design research with over 40 global enterprise design teams.

Visual Designer

2017 — 2019

Pentagram — New York, NY

- Designed bespoke typography, publication layouts, and environmental branding installations.
- Recognized by AIGA Eye on Design and Type Directors Club.
