Problem-Solving & Governance:	MECE Framework, Pyramid Principle Decks, Commercial Due Diligence, Agile Scrum
Enterprise Tools & Platforms:	Advanced Excel (VBA/Solver), Capital IQ, PitchBook, Jira, Salesforce CRM, dbt

PROFESSIONAL EXPERIENCE

Strategic Business Analyst | Apex Advisory Partners

New York, NY • 2025 - Present

- Spearheaded operational due diligence and unit-economic restructuring for mid-market B2B portfolio companies, shaving 25 hours off monthly reporting cycles.
- Synthesized \$42M SKU profitability matrix for consumer portfolio brand, identifying \$1.8M in unprofitable inventory and recommending immediate rationalization.
- Constructed automated DCF and dynamic LBO underwriting models used directly in partner investment committee reviews.

Strategy & Operations Intern | Meridian Global FinTech

Boston, MA • 2024 - 2025

- Conducted churn cohort analysis across 140,000+ active SMB accounts; engineered targeted retention hypotheses lifting 60-day customer retention by 4.2%.
- Built automated daily funnel telemetry and executive cockpits in Tableau and Snowflake, streamlining customer onboarding friction points.
- Authored market sizing and GTM expansion deck presented to Head of International Strategy, paving entry into UK commercial market.

Management Consultant Associate | Northbridge Management Group

Chicago, IL • 2023 - 2024

- Advised enterprise retail clients on supply chain logistics consolidation; designed cost-allocation models in Excel/VBA identifying \$3.4M in duplicate freight spend.
- Modeled multi-facility warehousing scenarios across 7 regional distribution hubs, reducing average delivery lead times by 1.8 business days.
- Facilitated 15+ cross-functional discovery workshops across VP and director tiers to align KPIs and operational roadmaps.

Junior Financial & Market Analyst | Vanguard Commercial Analytics

New York, NY • 2022 - 2023

- Monitored macroeconomic indices, sector earnings trends, and competitor benchmarking reports feeding weekly investment committee memos.
- Engineered automated financial statement scraping pipelines in Python, saving 12 analyst hours weekly and eliminating manual data entry errors.

EDUCATION & ACADEMIC HONORS

Master of Business Administration (MBA)

2024 - 2026

NYU Stern School of Business — Strategy & Business Analytics • GPA: 3.92 / 4.00 • Dean's Honor List

Bachelor of Business Administration (BBA)

2019 - 2023

Baruch College, Zicklin School of Business — Finance & Quantitative Economics • GPA: 3.88 / 4.00 • Summa Cum Laude
